About Me

Md Merazuzzaman Neon

TikTok Shop VA | Product Listing Expert

I help TikTok Shop and eCommerce brands keep their stores organized, optimized, and ready to convert. My work combines product listing execution, keyword-focused content, marketplace operations, and data-backed store support.

2+ yrs

Marketplace experience

What I bring to clients

- TikTok Seller Center listing setup, optimization, category, attributes, and backend updates.
- Daily store maintenance including orders, inventory, pricing checks, and campaign support.
- Data-driven thinking from a Statistics background for research, reporting, and decision support.
- Professional communication and reliable execution for international eCommerce teams.

Core Services

01

Product Listing Creation
Create complete listings with clear titles, descriptions, variants, categories, and attributes.

02

SEO Optimization
Use buyer-intent keywords and structured copy to improve discoverability.

03

Bulk Product Upload
Prepare catalog data for faster uploads and cleaner marketplace execution.

04

Product Image Editing
Clean product visuals, resize assets, and prepare compliant image sets.

05

Inventory Management
Monitor stock levels and update catalog availability accurately.

06

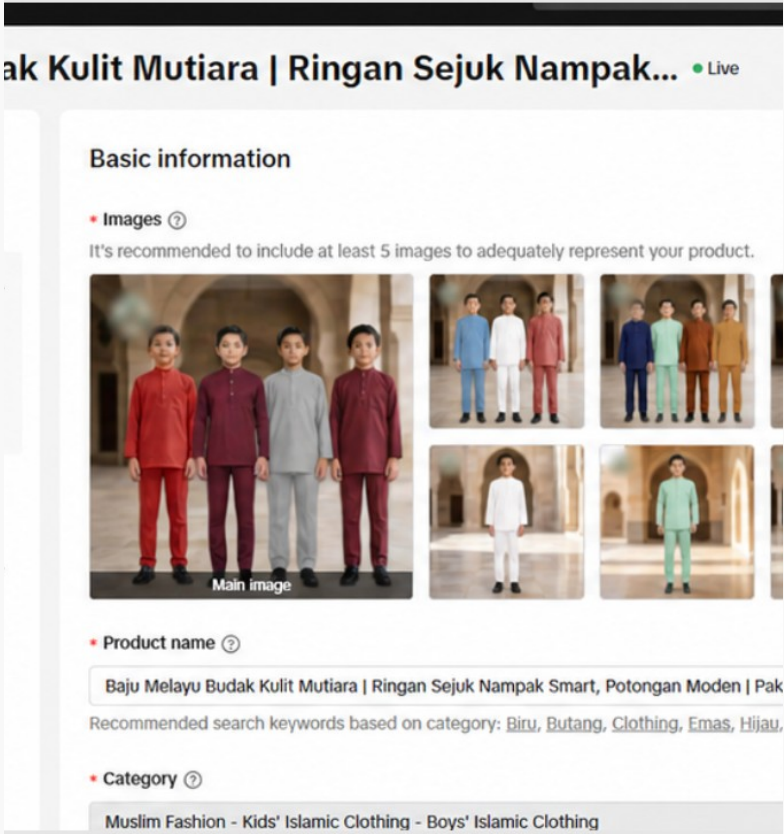

Campaign Setup
Support deals, vouchers, free shipping and promotional event workflows.

07

Store Maintenance
Check live listings, errors, product health, and day-to-day store tasks.

08

Competitor Research
Review pricing, product positioning, keywords, and marketplace trends.

Real TikTok Seller Center workflows - listing, attributes, category, image setup, and store maintenance.

Tools & Platforms

01

Flash Sale Creation

Prepare sale offers, check product availability, and monitor campaign setup.

02

Voucher Setup

Support coupon and store-voucher workflows to improve buyer conversion.

03

Free Shipping Campaign

Assist with shipping promotion setup and seller center checks.

04

Promotional Events

Manage product selection, pricing readiness, and post-campaign monitoring.

Goal: keep listings campaign-ready, compliant, competitive, and easy for buyers to understand.

Why Hire Me

A reliable operator for TikTok Shop clients who need accurate execution, fast turnarounds, and data-aware decisions.

Detail-Oriented

Listing details, variants, images, categories, and data fields are handled carefully.

Fast Turnaround

Designed to support busy stores with timely listing and operational execution.

Clear Communication

Client-friendly updates, task coordination, and consistent follow-through.

Results-Driven

Work is focused on listing quality, visibility, store health, and measurable support.

35K-40K Listings

Nearly 3x Listing Accuracy

\$150K+ Monthly Sales Support

Performance highlights from CV and work experience.

Ready to scale your TikTok Shop?

I can support your store from product listing and SEO optimization to campaign setup, order workflows, inventory updates, and daily seller-center management.
